3. It has been found necessary to use other burden centers in performance of the work under this contract. Therefore, paragraph 2 of Section D of the contract has been deleted and a new paragraph has been substituted which incorporates DOD approved fixed rates for FY 1956 and provisional rates for FY 1957 for all burden centers. The original obligation of \$143,548.00 remains the same.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
